Re: *In the Matter of Annual Assessment of the Status of Competition in Markets for the Delivery of Video Programming*, MB Docket No. 05-255

Dear Ms. Dortch:

On October 11, 2005, BellSouth Corporation and BellSouth Entertainment, LLC (collectively "BellSouth") submitted reply comments in the above-referenced proceeding. These comments were supported by the Declaration of Thompson (Tom) T. Rawls II, Exhibit A to which identified BellSouth's active and inactive cable franchises, the date the cable franchise application was filed, the date the franchise was granted, the interval between the filing and approval of the application, as well as the average length of time required for approval. BellSouth has since discovered that information in this exhibit concerning the approval date of BellSouth's franchise with Gwinnett County, Georgia was incorrect, which caused the average length of time required for franchise approval to be overstated. BellSouth is filing herewith a corrected exhibit, which reflects that the average time for franchise approval was 10 months rather than the 11 months previously indicated. BellSouth regrets this error and apologizes for any inconvenience.

Yours very truly,

Bennett L. Ross
